About SpartaCUEs

SpartaCUEs is a family-run venue built from a genuine love for games, community, and connection.

What started as a shared hobby turned into a space where people can enjoy the same excitement we grew up with — a place to play, compete, and belong.

We host billiard tournaments, board game events, corporate gatherings, and birthday celebrations.

Inside, you'll find a dedicated Dungeons & Dragons room, weekly Mafia and social deduction sessions like Blood on the Clocktower and Avalon, and a growing lineup of board game nights featuring Splendor, Terraforming Mars, Catan, Dune, and many others loved by our community.

Over this short period of time, we have proudly welcomed some of the biggest names in the billiards world —

Shane Van Boening, Jason Shaw, Mario He, John Morra, Aleksa Pecelj, Alexander Kazakis, Dimitris Loukatos, and Mohammed Soufi

—
and many of them have actually participated in our tournaments.

Their presence reminds us that passion brings people together, no matter where they come from.

 Join the Spartan Family

At SpartaCUEs, we see everyone who walks in as part of the family. This is a place for friends, families, and players who love spending time together through games and laughter.
